Centre de la Imatge i Tecnologia Multimèdia | CITM (UPC)

2018 - Present

ABOUT ME

I consider myself an active and creative person, with own initiative and a lot of courage.

I always aim to learn new things keeping my positive spirit.

Passionate about Games, Product Design as well as UI/UX Design.

Currently I am in my last year of university. I believe this is the right moment to enter to the laboral market and work on exciting projects with talented people, develop my skills and grow as a professional.
